POLITY • RAS PRELIMS NOTES

Rajasthan Polity & Administration

Governor, Chief Minister & Assembly, High Court, secretariat & district administration, RPSC, Lokayukt, Panchayati Raj and municipalities

Inside these notes

- Firsts, records and numbers grids for facts RAS loves to match
- Body-by-body tables - RPSC, SEC, SIC, Board of Revenue, Lokayukt
- Memory hooks and exam traps in every chapter

Contents

How to use: read a chapter fully once, then revise only the tables, MEMORY HOOKS and EXAM TRAPS. Every fact here is written the way RAS papers ask it.

1. 1. The Governor and the State Executive
2. 2. The Rajasthan Legislative Assembly
3. 3. The Judiciary in Rajasthan and the Advocate General
4. 4. Secretariat and Directorate Administration
5. 5. Rajasthan's Constitutional and Statutory Bodies
6. 6. Panchayati Raj in Rajasthan
7. 7. Municipal Administration in Rajasthan
8. 8. Master Revision — Rajasthan Polity in One View
9. 9. More State Institutions, Representation and Governance

StuDy

1. The Governor and the State Executive

The Governor (Articles 153–162)

- Every state has a Governor (Article 153); the same person can be Governor of **two or more states** (7th Amendment, 1956). The Governor is **appointed by the President** (Article 155) and holds office **during the pleasure of the President** (Article 156) — normal term 5 years, but there is no security of tenure and **no impeachment process**.
- **Qualifications (Article 157)**: citizen of India, at least **35 years** old; must not be an MP/MLA (Article 158) and must not hold an office of profit.
- The Governor is the **constitutional (nominal) head** of the state executive (Article 154); real power lies with the Council of Ministers headed by the Chief Minister. Oath is administered by the **Chief Justice of the High Court** (Article 159).
- Key powers: appoints the **Chief Minister**, other ministers (on the CM's advice), the **Advocate General**, the Chairman and members of the **State Public Service Commission**, and district judges; summons, prorogues and dissolves the **Legislative Assembly**; gives assent to bills (Article 200 — may assent, withhold, return a non-money bill once, or reserve it for the President); promulgates **ordinances (Article 213)**; **pardoning power (Article 161)** — can suspend, remit or commute a death sentence but **cannot pardon it** (only the President can).
- **Discretionary powers (Article 163)**: the Governor acts in his discretion in situations like appointing a CM when no party has a clear majority, dismissing a ministry that has lost confidence, reserving a bill for the President, and recommending President's Rule. His decision on whether a matter falls in his discretion is **final**, though after **S. R. Bommai** and later cases, the material behind a President's Rule recommendation is judicially reviewable.

EXAM TRAP: The Governor appoints State PSC members but **cannot remove them** — removal is by the **President** after a Supreme Court inquiry (Article 317). This exact pair is a repeated RAS question.

Governors of Rajasthan — the landmarks

- **First Governor (Rajpramukh era to Governor)**: Rajasthan's head at integration was the Rajpramukh, **Maharaja Sawai Man Singh II** of Jaipur (1949–1956). On 1 November 1956, after States Reorganisation, **Sardar Gurmukh Nihal Singh** became the **first Governor** of Rajasthan.
- The Governor's official residence is **Raj Bhavan, Jaipur**. The present Governor is **Haribhau Bagde** (in office since July 2024).

Chief Minister and Council of Ministers (Articles 163–164)

- The Governor appoints the **Chief Minister** (Article 164) — by convention, the leader of the majority party/coalition in the Assembly — and other ministers on the CM's advice. Ministers hold office during the **pleasure of the Governor** (in practice, of the Assembly).
- The Council of Ministers is **collectively responsible to the Legislative Assembly** (Article 164(2)) — it falls the day it loses the Assembly's confidence. Total ministers (including the CM) cannot exceed **15% of the Assembly's strength (91st Amendment)** — for Rajasthan's 200-seat Assembly, a maximum of **30**.
- A non-MLA can remain a minister for **6 months** at most. The CM chairs the cabinet, allocates portfolios, is the link between the Governor and the Council (Article 167), and heads the state's real executive.

Rajasthan's Chief Ministers — firsts and records

Landmark	Name
Chief Minister of United Rajasthan phase (pre-1950)	**Manikya Lal Verma** (1948)
First CM of the integrated state (nominated phase)	**Hiralal Shastri** (from 7 April 1949)
First **elected** CM (after the first Assembly elections, 1952)	**Tikaram Paliwal** (3 March 1952)
Longest-serving CM	**Mohan Lal Sukhadia** (about 17 years, 1954–71) — called the *maker of modern Rajasthan*
First woman CM	**Vasundhara Raje** (2003) — also the state's first woman to hold the post twice
CM who served three terms	**Ashok Gehlot** (1998–2003, 2008–13, 2018–23)
Present CM	**Bhajan Lal Sharma** (since December 2023)

- **President's Rule in Rajasthan** has been imposed **four times**: 1967 (hung assembly), 1977, 1980 and 1992 (dismissal of the state government after the Babri demolition). RAS asks this as "how many times" and pairs it with the CM in office at the time.

PYQ PATTERN: From the bank — "Which Chief Minister faced President's Rule in Rajasthan for the maximum number of times?" Style of asking: records and firsts, exactly as tabulated above.

2. The Rajasthan Legislative Assembly

- Rajasthan has a **unicameral** legislature: the Governor + the Legislative Assembly (Vidhan Sabha). There is **no Legislative Council** — although the Assembly has passed resolutions for creating one (2012, and again later), Parliament has not enacted it under Article 169. RAS traps this as "Rajasthan has a bicameral legislature" — **false**.
- **Strength: 200 seats**, filled by direct election from territorial constituencies (delimitation frozen until after the 2026 census). Reserved seats: **34 for Scheduled Castes and 25 for Scheduled Tribes**.
- The **first Legislative Assembly** was constituted in **1952** (160 seats then). The Assembly sits in the **Vidhan Sabha Bhawan, Jaipur**.
- **Presiding officers**: the **Speaker** (first Speaker: **Norottam Lal Joshi**) and the Deputy Speaker, elected by the Assembly from its members; the Speaker certifies Money Bills, presides over the House, and decides anti-defection cases under the Tenth Schedule (at the state level, the Speaker is the authority, subject to judicial review after *Kihoto Hollohan*).
- The **Leader of the Opposition** is recognised when the largest opposition party has at least **10% of the seats** (20 in a 200-seat House by convention/statutory practice).
- **Sessions**: the Governor summons the House; the gap between two sittings cannot exceed **6 months** (Article 174). The **Budget session** is the longest; the state budget is the Annual Financial Statement under **Article 202**, and Money Bills follow Articles 198–199 (Legislative Council absent, so the Assembly's will prevails directly).
- **Committees**: the Assembly works through committees — notably the state **Public Accounts Committee** (examines CAG reports on state accounts), Estimates Committee, Public Undertakings Committee, and the Committee on Welfare of SCs/STs. Committee chairs are nominated by the Speaker.

MEMORY HOOK: 200 seats — 34 SC, 25 ST. Minister cap 15% of 200 = 30. Three numbers, one root: 200.

3. The Judiciary in Rajasthan and the Advocate General

Rajasthan High Court

- The **Rajasthan High Court was established on 21 June 1949** at **Jodhpur** — its principal seat remains Jodhpur. A **permanent bench sits at Jaipur** (established as a bench in 1976 and made permanent in 1977; it was briefly abolished and restored in the intervening years — RAS asks simply: principal seat **Jodhpur**, bench **Jaipur**).
- The High Court is a **court of record** (Article 215) and exercises writ jurisdiction under **Article 226** — wider than the Supreme Court's Article 32 because it can issue writs "for any other purpose" too.
- The **Chief Justice** and judges are appointed by the **President** (Articles 217, 124 pattern), retire at **62 years**, and can be removed only in the manner of a Supreme Court judge.
- The first Chief Justice of the Rajasthan High Court was **Justice K. K. Verma** (Kamala Kant Verma). Notable: Justice **J. S. Verma**, a former judge of this court, became the **36th Chief Justice of India**.

Subordinate judiciary

- Below the High Court: **District & Sessions Courts** in each district (the District Judge is appointed by the **Governor in consultation with the High Court** — Article 233), Civil Judge (senior/junior division) courts, and Chief Judicial Magistrate courts for criminal work.
- The **Rajasthan Judicial Service (RJS)** is recruited through an examination conducted by the **High Court** (not the RPSC) — a deliberate trap pair with the RPSC chapter below.
- **Gram Nyayalayas** (under the Gram Nyayalayas Act, 2008) function at the panchayat-samiti level for speedy village-level justice; **Lok Adalats**, organised by the State Legal Services Authority, settle disputes by compromise and their awards are deemed decrees of a civil court.

The Advocate General (Article 165)

- The **Advocate General** is the **first law officer of the state**, appointed by the **Governor**; the person must be qualified to be a High Court judge. He holds office during the Governor's pleasure (no fixed term and no fixed removal procedure).
- Duties: advise the state government on legal matters, appear for the state in important cases, and **speak in the Assembly** (Article 177) without a right to vote — the exact state mirror of the Attorney General (Articles 76 and 88).
- Court fee/landmark note: the Advocate General is **not** a government servant and may practise privately (subject to restrictions), unlike the district government pleaders.

EXAM TRAP: Advocate General is appointed by the **Governor**, not the Chief Minister; and he can address the Assembly but **cannot vote** — same as the Attorney General in Parliament.

4. Secretariat and Directorate Administration

The Chief Secretary and the State Secretariat

- The **Chief Secretary** is the **head of the state civil services**, the principal adviser to the Chief Minister and cabinet, and the secretary to the **Council of Ministers**. He heads the **General Administration Department** ex-officio, chairs the committee of secretaries, and is the channel between the state and the Centre/all-India services. Appointment is by the **Chief Minister** (senior-most IAS officers of the state cadre are considered; tenure is not fixed).
- The **State Secretariat (Jaipur)** is the apex of state administration: it frames policy, drafts legislation, prepares the budget, issues rules and supervises implementation. Its units are **Departments** (headed politically by a Minister and administratively by a **Secretary** — usually IAS; larger departments may have an Additional Chief Secretary/Principal Secretary above the Secretary).
- Under the secretariat stand the **Directorates / Heads of Departments** (e.g., Director of Education, Director General of Police, Chief Engineer, Director of Medical & Health) — these are the **executive** arms that implement policy through field offices, while the secretariat is the **policy/staff** arm. RAS loves this distinction: *Secretariat = policy-making, Directorate = execution*.
- The **DGP (Director General of Police)** heads the state police force; the Home Department in the secretariat controls it administratively. Police ranges in Rajasthan are headed by an **Inspector General (IG)**, districts by a **Superintendent of Police (SP)**.

Divisions and District Administration

- For field administration the state is divided into **7 divisions** — **Jaipur, Jodhpur, Ajmer, Udaipur, Kota, Bharatpur and Bikaner** — each under a **Divisional Commissioner** (a senior IAS officer) who supervises, inspects and coordinates the districts in the division and hears revenue appeals.
- **Districts: 41** (the 2023 reorganisation had raised the count to 50; a government review in **December 2024** withdrew 9 of the new districts, settling the number at **41**, and the 3 new divisions were also withdrawn, keeping divisions at 7). RAS 2026 will test the **current** figures: **41 districts, 7 divisions**.

Officer	Level	Core roles
Divisional Commissioner	Division	Coordination, supervision of Collectors, revenue appellate authority
District Collector / District Magistrate	District	Revenue collection & land records; law-and-order (as DM, with the SP); elections (District Election Officer); census; disaster management; licensing; overall development coordination
Sub-Divisional Officer (SDO/SDM)	Sub-division	Sub-divisional revenue and magisterial work; supervises tehsils
Superintendent of Police (SP)	District	Maintenance of law and order, crime control, heads district police
Tehsildar	Tehsil	Revenue collection, land records (jamabandi, girdawari), certificates, land disputes at first level

Officer	Level	Core roles
Naib Tehsildar, Kanungo (Revenue Inspector), Patwari	Tehsil/village cluster	Field revenue staff — the Patwari maintains the village land records and crop inspection

- The **Collector** is described as the **"eyes and ears" of the state government** in the district and its **crisis manager-in-chief** (floods, droughts, elections, law and order). His three classic hats: **Collector** (revenue), **District Magistrate** (order) and **coordinator** (development).
- Land records vocabulary RAS uses: **Jamabandi** (record of rights), **Girdawari** (crop inspection), **Khasra** (field register), **Khatauni** — plus the state's digitised records under the **Apna Khata** portal (e-Dharti).

MEMORY HOOK: Division 7, districts 41 — and the officer chain Commissioner → Collector → SDO → Tehsildar → Patwari. Five levels, learn it as one staircase.

5. Rajasthan's Constitutional and Statutory Bodies

RAS asks these bodies exactly like the Union table: **year, legal basis, headquarters, appointment, one special fact**. Learn them as one table.

Body	Set up	Basis	HQ	Head facts
Rajasthan Public Service Commission (RPSC)	**22 December 1949**	Constitutional — **Articles 315–323**	**Ajmer**	Chairman + members appointed by the **Governor**; tenure 6 years or **62 years**; removed only by the President
State Election Commission	1994 (first SEC took office July 1994)	Constitutional — **Article 243K**	Jaipur	State Election Commissioner appointed by the Governor; conducts **panchayat and municipal** elections (not Assembly/Parliament)
Rajasthan State Information Commission	2006 (first SIC: 2006)	Statutory — **RTI Act, 2005**	Jaipur	State Chief Information Commissioner + up to 10 Commissioners, appointed by the Governor on a committee's recommendation
Rajasthan State Commission for Women	15 May 1999	Statutory — Rajasthan State Commission for Women Act, 1999	Jaipur	Chairperson + members nominated by the state government

Body	Set up	Basis	HQ	Head facts
Board of Revenue (Rajaswa Mandal)	1949	Statutory — Rajasthan Land Revenue Act, 1956 framework	**Ajmer**	Apex revenue authority of the state: hears revenue appeals/revisions, supervises district revenue administration, conducts departmental exams of revenue staff
Lokayukt	Office created **1973**; first Lokayukt took office in 1973	Statutory — **Rajasthan Lokayukta and Up-Lokayuktas Act, 1973**	Jaipur	Appointed by the Governor after consulting the Chief Justice of the HC and the Leader of the Opposition

RPSC — deep facts (highest weight in this chapter)

- RPSC began functioning in **Jaipur** in 1949 and was shifted to **Ajmer in 1956** (on the Satyanarayan Rao Committee's recommendation) — its headquarters has been Ajmer ever since.
- At inception it had a Chairman and **two members**; today the Commission consists of a **Chairman and 10 members** (strength fixed by the Governor's regulations).
- **Functions (Article 320)**: conduct examinations for state services (**RAS** is its flagship), advise the government on recruitment methods, promotions, transfers, and disciplinary matters — consultation with the State PSC on **disciplinary cases is mandatory** (Article 320(3)), a stem RAS has used directly.
- Its advice is **not binding** on the government, but the annual report (Article 323) goes to the **Governor** and is laid before the Assembly with a memorandum of cases where advice was rejected.
- The **first Chairman** of RPSC was **Sir S. K. Ghosh** (the then Chief Justice of Rajasthan).

The Lokayukt — deep facts

- The institution is designed on the **Ombudsman** pattern: it inquires into allegations of corruption and maladministration against ministers, MLAs and public servants of the state.
- The Lokayukt's recommendations are **advisory** — he cannot prosecute; he reports to the Governor, and an annual report goes to the Assembly.
- Excluded from his jurisdiction (classic trap set): the **Chief Minister's** actions are outside/protected in several respects under the Act, the **Chief Justice and judges** (constitutional removal process), and election matters (Election Commission's domain). RAS asks "who is NOT under the Lokayukt" with exactly these options.
- At the Union level the counterpart is the **Lokpal** (2013 Act; first Lokpal Justice P. C. Ghose, 2019).

State Finance Commission (Article 243I)

- The Governor constitutes a **State Finance Commission every five years** to review the financial position of panchayats and municipalities and recommend how state revenues are shared with them. Its existence is **constitutional** (not statutory) — a frequent trap, because most other state commissions in the list above are statutory.

- Below it in the same family: the state **Finance Department** prepares the budget; the **CAG** audits state accounts (Article 149–151 pattern, reports to the Governor under Article 151(2)).

EXAM TRAP: RPSC, State EC and State Finance Commission are **constitutional** bodies; the Information Commission, Women Commission, Board of Revenue (statutory under revenue law) and Lokayukt are **statutory**. The "which is not constitutional" question is built from this single line.

6. Panchayati Raj in Rajasthan

The story — Rajasthan is where it began

- Panchayati Raj in India was **inaugurated on 2 October 1959 at Nagaur** (Rajasthan) by Prime Minister **Jawaharlal Nehru**, on the recommendation of the **Balwant Rai Mehta Committee (1957)**. Rajasthan was the **first state** to adopt the system (Andhra Pradesh followed within days).
- Early law: the Rajasthan Panchayat Act, 1953 governed village panchayats before 1959; the unified **Rajasthan Panchayati Raj Act was passed in 1959** for the three-tier system and wholly replaced by the **Rajasthan Panchayati Raj Act, 1994** after the 73rd Constitutional Amendment.

The three tiers today (Act of 1994)

Tier	Body	Elected head	Administrative head	Election
Village	**Gram Panchayat**	**Sarpanch** (directly elected by the Gram Sabha voters)	Gram Sevak / Panchayat Secretary	Direct, every 5 years
Block	**Panchayat Samiti**	**Pradhan** (elected by the Samiti's elected members)	Block Development Officer (BDO)	Direct election of members, every 5 years
District	**Zila Parishad**	**Zila Pramukh** (elected by the Parishad's elected members)	Chief Executive Officer (CEO)	Direct election of members, every 5 years

- **Gram Sabha** (Article 243A): all voters of the village; meeting presided over by the Sarpanch; approves plans, beneficiaries and the Gram Panchayat's budget; social audits of MGNREGA works are conducted through it.
- **Reservation**: seats and offices reserved for SCs/STs in proportion to population, and **50% of seats and sarpanch posts in Rajasthan are reserved for women** (Rajasthan raised women's reservation from one-third to **50%** by amending its Act — a strong RAS-specific fact).
- **State Election Commission** conducts all PRI elections; if a body is dissolved, elections must be held within **6 months**.
- **Functions**: the 29 subjects of the **Eleventh Schedule** (agriculture, water, rural housing, roads, poverty alleviation, primary education, health, women & child development...). Rajasthan devolves funds/functions/functionaries mainly for schemes like MGNREGA, PMAY-Gramin and water missions.
- **PESA, 1996** (Panchayats Extension to Scheduled Areas) applies in the **Fifth Schedule areas** of the state — the tribal belt of **Banswara, Dungarpur, Pratapgarh** and parts of Udaipur/Sirohi —

where the **Gram Sabha** is given extra powers over land, minor minerals and village markets.

- The **Sarpanch** is the only head in the system elected **directly by all voters** of the area; the Pradhan and Zila Pramukh are elected **indirectly** by elected members. This direct/indirect pairing is a standing RAS trap.

MEMORY HOOK: Nagaur 1959 = India's first. Rajasthan women reservation = 50%, not the constitutional floor of 33%.

7. Municipal Administration in Rajasthan

- Urban local self-government rests on the **74th Amendment (1992)** and the **Rajasthan Municipalities Act, 2009** (which replaced the 1959 Act).
- Three forms in the state:

- **Municipal Corporation (Nagar Nigam)** — for the largest cities. Jaipur is split into **two corporations — Jaipur Greater and Jaipur Heritage** (since 2019); Jodhpur and Kota also have two each (North and South). Other corporations include Ajmer, Bikaner, Udaipur, Bharatpur, Pali and Alwar. - **Municipal Council (Nagar Parishad)** — for medium towns. - **Municipal Board (Nagar Palika)** — for smaller towns (classification is by population and income under the 2009 Act).

- **Who runs a corporation**: the elected **Mayor (Mahapaur)** and councillors (parshad), with the **Municipal Commissioner** (an IAS/state-service officer appointed by the state government) as the executive head. In councils/boards the elected head is the **Chairperson (Sabhapati)** and the executive officer is the EO/Commissioner.
- **Elections** are conducted by the **State Election Commission** every 5 years; the Mayor of a corporation is elected **indirectly** by the elected councillors in Rajasthan (RAS has asked the mayor-election deposit/method facts — the method in the state is indirect election from among the councillors).
- **Functions**: the 18 items of the **Twelfth Schedule** — water supply, sanitation and solid waste, urban planning, roads and bridges, public health, slum improvement, birth–death registration. Revenue: property tax (urban development tax), profession-related levies, state grants on the **State Finance Commission's** recommendations.
- **74th-Amendment structures to remember**: **Ward Committees** in cities of 3 lakh+ (Article 243S), **District Planning Committee (243ZD)** — chaired in Rajasthan by the district's minister-in-charge by state practice, and **Metropolitan Planning Committee (243ZE)** for metropolitan areas like Jaipur.

EXAM TRAP: Panchayat elections and municipal elections in Rajasthan are held by the **State Election Commission**, never by the Election Commission of India — the same trap appears in both the state and Union notes because RAS asks it from both sides.

8. Master Revision — Rajasthan Polity in One View

Firsts and records

Fact	Answer
First Governor of Rajasthan	Sardar **Gurmukh Nihal Singh** (1956)

Fact	Answer
Rajpramukh at integration	Maharaja **Sawai Man Singh II**
First CM (nominated phase)	**Hiralal Shastri**
First elected CM	**Tikaram Paliwal** (1952)
Longest-serving CM	**Mohan Lal Sukhadia**
First woman CM	**Vasundhara Raje**
First Speaker of the Assembly	**Norottam Lal Joshi**
First Chairman, RPSC	**Sir S. K. Ghosh**
First Chief Justice, Rajasthan HC	**Justice K. K. Verma**
First state to launch Panchayati Raj	**Rajasthan (Nagaur, 2 Oct 1959)**

Numbers grid

Item	Number
Assembly seats	**200** (SC 34, ST 25)
Maximum ministers (15% rule)	**30**
High Court	Principal seat **Jodhpur**; bench **Jaipur**; est. **1949**
RPSC	Est. **1949**, HQ **Ajmer**, Chairman + 10 members, tenure to **62 yrs**
Lokayukt Act	**1973**
State Women Commission	**1999**
Divisions / Districts	**7 / 41**
Women's reservation in PRIs (Rajasthan)	**50%**
President's Rule in Rajasthan	**4 times** (1967, 1977, 1980, 1992)

The five classic confusions — settled

- Governor **appoints** the Advocate General and RPSC members; the **President removes** RPSC members — appointment and removal sit in different hands.
- **RJS** (judicial service) recruitment is by the **High Court**, not RPSC.
- The **State Election Commission** runs local elections; the **Election Commission of India** runs Assembly/Parliament elections in the state.
- Secretariat **makes policy**; Directorates and field officers **execute** it.
- Rajasthan's legislature is **unicameral** — resolutions for a Legislative Council exist, the Council does not.

PYQ PATTERN: End-of-paper mixed sets in RAS combine one line from each chapter above — e.g., "RPSC headquarters is at Jaipur" (false — Ajmer) with "the first Panchayati Raj was launched at Nagaur" (true). This grid is built to kill exactly those pairs.

9. More State Institutions, Representation and Governance

Rajasthan in Parliament

- Rajasthan sends **25 members to the Lok Sabha** (4 reserved for SC, 3 for ST) and **10 members to the Rajya Sabha**. Rajya Sabha members from the state are elected by the elected MLAs of the Assembly by proportional representation (single transferable vote).
- The state Assembly's 200 seats were fixed after the 1976 delimitation; constituency boundaries were redrawn by the **Delimitation Commission (2002–08)** without changing the total.

Other state commissions — quick bank

Body	Year	Basis / one-line fact
Rajasthan State Human Rights Commission	Constituted **2000**	Statutory — Protection of Human Rights Act, 1993; chairperson is a retired High Court Chief Justice/judge pattern (after the 2019 amendment), appointed by the Governor on a committee headed by the CM
Rajasthan State Commission for SCs	2001	Statutory state body for safeguards of Scheduled Castes (separate from the National Commission under Art. 338)
Rajasthan State Commission for STs	Set up separately after the national split	State counterpart of the NCST (Art. 338A)
Rajasthan State Backward Classes Commission	2017 Act pattern	Examines lists and complaints for OBCs in the state
Rajasthan Civil Services Appellate Tribunal	1976	Hears service-matter appeals of state employees (Jaipur)
State Administrative Reforms Commission	1999 (first ARC, under Bhairon Singh Shekhawat era)	Recommended secretariat and procedural reforms

Firsts in state administration

Fact	Answer
First Chief Secretary of Rajasthan	**K. Radhakrishnan** (1949)
First woman minister of the state	**Kamla Beniwal** (1954); she later became the state's first woman Deputy CM (2003) and a Governor
First woman Speaker of the Assembly	**Sumitra Singh** (2004)
Secretariat headquarters	**Jaipur** — the State Secretariat (Sachivalaya), the seat of all departments

E-governance and service-delivery in Rajasthan (governance chapter link)

- **e-Mitra** (begun 2004–05): the state's flagship single-window kiosk/online network for certificates, bill payments and government services — one of India's earliest state-wide service kiosk systems.
- **Jan Aadhaar** (replacing Bhamashah from 2019–20): the resident-family identity platform through which state scheme benefits are routed by DBT.
- **Rajasthan Sampark**: the state's central grievance portal (with the 181 helpline pattern), the state counterpart of CPGRAMS.

- **Rajasthan Guaranteed Delivery of Public Services Act, 2011**: notified services must be delivered within fixed time limits by designated officers, with appeal and deemed-delivery style accountability — the state version of the Citizen Charter idea, made legal.
- **Rajasthan Transparency in Public Procurement Act, 2012**: Rajasthan was among the first states to give public procurement a full statute (e-procurement through the state portal).

PYQ PATTERN: RAS asks state governance "firsts" (e-Mitra's era, the 2011 service-guarantee Act) as Current-Affairs-flavoured polity questions — these five lines are written for exactly that slot.

StuDy
