Current Affairs Digest — 2026 Mega Events (StuDy CA Notes)

How to Use This Note

- These notes collect the VERIFIED big-ticket facts of 2026 that SSC/RPSC/UPSC papers love: mega sports events (medal tables, hosts, superlatives) — the section where papers plant their famous near-miss traps.
- StuDy refreshes the Current Affairs question pool every 2–3 days in the app. These notes are updated on request — always check the latest in-app CA tests for fresh items.

ICC T20 World Cup 2026 (India & Sri Lanka)

- Champions: INDIA — beat New Zealand by 96 runs in the final at Ahmedabad.
- India's 3rd T20 World Cup title (2007, 2024, 2026) — first team to DEFEND the title and first HOST to win it.
- Player of the Tournament: Sanju Samson. Player of the Final: Jasprit Bumrah (4/15).
- Most runs in the tournament: Sahibzada Farhan (Pakistan) — 383 runs. (Tournament topper ≠ winning team's player — classic trap.)

FIFA World Cup 2026 (USA · Canada · Mexico)

- Champions: SPAIN — beat Argentina 1–0 in the final; Ferran Torres scored the extra-time winner (106').
- Spain's 2nd World Cup title (first: 2010). First 48-team World Cup in history.
- Golden Ball (best player): Rodri. Golden Boot (top scorer): Kylian Mbappé — 10 goals. England finished 3rd.
- Trap radar: Player of the Final ≠ Player of the Tournament in reports — always read the exact wording of the question.

Commonwealth Games 2026 (Glasgow)

- India finished 4th with 39 medals (13 Gold, 17 Silver, 9 Bronze). Australia topped the table (171 medals).
- A trimmed-down Games: only 10 sports. Boxing was India's best sport — 10 medals including 7 golds.
- Next Commonwealth Games: Ahmedabad 2030 (India hosts).

Asian Games 2026 (Aichi–Nagoya, Japan)

- India finished 4th with 85 medals (21 Gold, 27 Silver, 37 Bronze). China topped (341), Japan 2nd, Korea 3rd.
- Archery gave India the most golds (5). Athletics gave the most medals overall (24) but only 1 gold.
- Kumkum Mohod (17) — first Indian woman to win an individual recurve gold at the Asian Games.
- Next Asian Games: Doha 2030. (Nagoya 2026 vs Doha 2030 is a designed trap — do not swap.)

Trap Radar — Current Affairs

StuDy

- Most medals ≠ most golds; Player of the Final ≠ Player of the Tournament; host year pairs (2026 vs 2030) are the examiner's favourite swap.
- First ≠ first Indian (e.g., first Governor-General of independent India — Mountbatten; first INDIAN Governor-General — Rajagopalachari).
- Read the question's exact noun: 'host', 'winner', 'top scorer', 'best player' are four different answers in the same event.
